You will be awestruck by the natural beauty as we take you through the Surf Coast region of Victoria. Stop at some of the seaside holiday villages and look out for the local wildlife, including Koalas, King Parrots and Sulphur Crested Cockatoos. Take in the cool climate rainforests as you travel through the Otway Ranges before coming to Cape Otway where you can climb mainland Australia's oldest lighthouse. To give you strength to climb to the top tuck into an authentic Aussie barbecue on the lawns outside the historic lighthouse keepers quarters.

HIGHLIGHTS

- * Beach stop on long golden surf beach with glorious views
- * Stop at Memorial Arch for a picture with the famous Great Ocean road sign
- * Coastal towns of Lorne and Apollo Bay
- * Iconic Cape Otway Lighthouse dominates towering cliffs where Bass Strait and the Southern Ocean collide. Learn the ancient history of the Aboriginal owners, the Gadubanud people. Look for koalas & native birds in the wild!

- * World famous 12 Apostles - This is what you've been waiting for! You'll be dwarfed by the soaring cliffs and the mysterious limestone towers that were created by erosion of the cliffs. This will be a day you will remember forever.

Overnight in Melbourne.

Day 3: CHOICE OF ONE (1) FULL DAY TOUR

1) MORNINGTON PENINSULA DAY TOUR WITH NATIONAL PARK

Only an hour from Melbourne, the Peninsula offers everything from breathtaking beaches and historical National Parks to vineyards and hot springs. Travel to the tip of the Peninsula to visit the seaside town of Portsea with its famous coloured bathing boxes, and Point Nepean with its remarkable military history and spectacular views of Bass Strait. Enjoy lunch at a local winery and admire the views. Then visit Sunny Ridge Strawberry Farm, where you can try your hand at picking strawberries (November to April only/subject to strawberry availability). Visit Mornington Peninsula Chocolates (May to October). Later, heighten your senses while you lose yourself at the Enchanted Adventure Gardens. Visit Murray's Lookout to admire the spectacular views over the coast before returning to Melbourne.

2) PHILLIP ISLAND ULTIMATE ECO TOUR (UPGRADE TO PENGUIN PLUS)

A trip to Phillip Island with Bunyip will be a day to remember and our Ultimate Eco Tour is nothing short of unforgettable.

Along the way you will meet some of Australia's favourite animals. At our first stop, Moonlit Sanctuary, you can cuddle a koala (fee applicable), hand feed kangaroos and wallabies, see wombats and Tassie devils. Enjoy lunch overlooking a billabong teeming with waterbirds before we make tracks to the historic Churchill Island.

Down at Churchill Island take time to wander about the gardens surrounding the historic Amess House. Learn about the significance of this small island and the history of Victoria. Head over to the farm yards where you'll get to see stockwhip cracking, sheep shearing and working dogs in action (time permitting).

Once on Phillip Island we'll take you to the Koala Conservation Centre where you'll get up close to koalas in their natural environment. Here there are boardwalks that get you up into the treetops, giving you the best opportunity to grab some great photos of these secretive animals.

Next we head over to the home of the Little Penguins, Summerland Peninsula, but before we meet the stars of the show we'll take a break at the Nobbies Centre. Here you might get a sneak preview of the penguins, whilst enjoying the spectacular views over Bass Strait.

Last but certainly not least is the world famous Penguin Parade. Here you'll see hundreds of Little Penguins come ashore just after sunset, make their way across the beach and up into the sand dunes to their burrows. A natural wonder, this is something you will never forget.
